## Pell Cries Blues As Devils Meet Vero

The Pahokee Blue Devils, according to Coach Webb Pell, will be in their poorest condition of the season as they travel to Vero Beach tonight (Friday) for their important Suncoast Conference game with the Indians, the results of which may have a bearing on the conference championship. Pahokee, with a 5-1 conference record to date, is at present leading the race, with Vero Beach (3-1), Clewiston (4-1) and Lake Worth (3-1) all strong contenders for the championship honors.

It is reported the Indians are still smarting from the 32-6 walloping the Blue Devils gave them last year and will be out in tonight's contest to avenge last year's defeat. Like the Blue Devils, the Indians got off to a poor start this season, dropping their opener to Lake Worth, 0-6, but have improved as the season advanced, winning their last two conference games from Clewiston, 19-13, and Stuart, 34-6. They have a rugged line and a powerful, ground-gaining fullback in Jumbo Young who is ably assisted in the back carrying chores by Halback Melvin Ropp. When it is necessary Quarterback Eddie Chambliss directs the Indians aerial sorties.

Because of the condition of his players, Pell says he will be unable to announce a starting line-up until just before game time. The Blue Devil squad is being accompanied to Vero Beach by a large delegation of local fans and the Pahokee High School Band.

## Modern Equipment At Stanford Station

John Stanford, operator of the Shell Station in Canal Point, announces installation of a new "Moto-Sway" in his lubrication department. An advertisement in another section of this paper tells the many fine qualities of the modern piece of equipment. Mr. Stanford said his machine is one of two in the Everglades.

Just recently more modern equipment has been added to the station in the way of an "Lectrostat Tire Repair Bench". It is the quick and modern way of inspecting and repairing tires, Mr. Stanford said. Another machine is the "Quick Tire Changer," which takes a lot of the labor out of the job of taking a tire off the rim.

A wheel balancer has also been added to the ever growing list of modern equipment Mr. Stanford is offering the motoring public. Always on hand and ready to clean any car's upholstery is a big vacuum cleaner, which Mr. Stanford says comes in for a lot of work in his station because of the preponderance of muck in this area.

## JOHNSON HEADS BOARD

The official board of the Canal Point Methodist Church at a recent meeting re-elected W. E. Johnson as its chairman. The board granted the use of the children's hall in the Sunday School building for private music lessons on Tuesday afternoons.

## Jack Spencer Buys Don's Food Store

In a deal consummated the first of November Jack Spencer became the new owner of Don's Food Store in Pahokee and in the future it will be known as Jack Spencer's Market. He acquired the store from Mr. and Mrs. Bruce Williams.

The popular food store has been one of Pahokee's leading stores since it was established several years ago by Don Cole and the late Junior Mullis. Later it was taken over by the widow of Mr. Mullis who operated it successfully for several months. Recently the store has been operated by her and her husband, Bruce Williams.

Mr. Spencer is no stranger in Pahokee where he has operated his meat market for many years. It is now located in the grocery he purchased and he will continue operation of the market and grocery in a modern merchandising manner. Mr. Spencer has had many years experience in the grocery business, having been associated with Hunt Brothers in Okeechobee for years before coming to Pahokee.

Mr. and Mrs. Spencer own their own their home in Pahokee where they live with their family.

## Zone Chairman Is Lions Club Visitor

Sam E. Henderson, Lions zone chairman of South Bay, was an official visitor at the dinner meeting of the Canal Point Lions Club in the Community Hall Monday night, with President Osceola Upthegrove presiding.

On the program, motion pictures of the game between the Pahokee High Blue Devils and the Fort Pierce High Eagles on Oct. 8 were shown by the Blue Devil Coaches Webb Pell and Bill Howard, who gave running commentaries on the game as the film was unrolled.

Mr. and Mrs. Robert McIntosh and Spooks were visitors in Tampa over the weekend.

## S. T. Joyce Is Sheriff Of Indian River Co.

S. Talton Joyce, a former Pahokee resident, was elected sheriff of Indian River county in the general election Tuesday. His election came after his name had been entered as a write-in candidate by his friends in Vero Beach and out in the county.

For more than two years young Joyce had been chief deputy sheriff after he resigned his job as state highway patrolman. Several weeks before the election the sheriff was killed in an automobile accident, and Acting Governor Johns named Deputy Joyce as acting sheriff.

The Democratic executive committee named Sam Smith as the official Democratic candidate. He was opposed by Larry Finnegan the Republican candidate. Friends of Deputy Joyce prevailed upon him to run as a write-in candidate, which he did. George Blanton was another write-in candidate.

The official vote as tallied by canvassing board on Wednesday of this week showed the vote as follows:

S. Talton Joyce	1491
Larry Finnegan	955
George Blanton	659
Sam Smith	657

Sheriff Joyce is the son of Mrs. Maxine Joyce of Pahokee, a brother of Mrs. Bill Rogers of Fort Myers and a nephew of Mrs. G. H. Tucker of Canal Point.

Leonard Dobrow read a letter from Jesse Reel, administrator of the Everglades Memorial Hospital, in which Reel listed several constructive and practical suggestions for the improvement of the community. The letter was turned over to President Stanley for study.

Arrangements for the course will be under the direction of Mrs. Ed Carver. The title of the textbook to be used is "Stop Annoying Your Children." ## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A bid for resurfacing a section of State Road A1A and NE2nd Ave. in Delray Beach was awarded to the Rubin Construction Company this week by the county commission.

The company's bid of \$18,937 for the county project, was the only bid received by the county commission. The project calls for resurfacing

1.16 miles of road plus a recently constructed intersection of A1A and State Road 80 in Palm Beach.

County Commission chairman Lake Lydal pointed out that the cost of this project represented more than two years return from the state's seventh cent gas tax program.

Palm Beach County municipalities are seeking to have the seventh cent gas tax returned to individual cities instead of to the county where the money is used for road projects.

In connection with the gas tax question, the commission this week received a resolution from the Delray Beach City Council asking that the seventh cent tax be returned to the city.

In another action this week the commission adopted a resolution of appreciation for Col. Ralph Edmunds, USAF, who is being transferred from Palm Beach Air Base to a new assignment. Col Edmunds, the resolution said, was one of the original officers assigned to the base and was to be commended for his cooperation while the base was being converted from civilian to military use.

Commissioner Roy Michael and County Engineer Steve Middleton reported they had conferred in Washington D. C. with representatives of the U. S. Engineers and the Federal Beach Erosion Board, seeking information for combating beach erosion in this area.

Middleton said he had been advised that a sand pumping transfer station, such as is proposed for the Palm Beach Inlet, was "a necessary part of any comprehensive plan of beach erosion for this county."

The engineer said a full report from Federal agencies had been

promised in the near future—with particular emphasis on whether the sand pumping project here would have a harmful effect on the beach to the north of the proposed location of the station.

Commissioner Paul Rardin, Canal Point, was authorized to attend a pre-legislative meeting of the Florida Advisory Council—a part of the State Association of County Commissioners. The meeting is being held this week in Tallahassee.

The commission also granted authorization for Commissioner Kenneth Foster and Engineer Middleton, to go to Ft. Lauderdale and to Tallahassee if necessary, to check on progress of plans for four laning U. S. Highway 1 across Palm Beach County and the reconstruction of 10 miles of Connors Highway.

Commissioner Rardin pointed out that the State Road Board had promised to call for bids on the Connors Highway project by Sept. 1, and was two months late on the call.

Authorized the employment of Mrs. Raymond Taylor, Pahokee, as a county welfare worker.

Authorized an \$8,300 payment on the county's voting machines—the next to last payment on the machines.

Recommended that Sheriff John Kirk Palm Beach County chairman for a state-wide observance of Safe Driving Day.

## Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in The Clarion's office.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to The Clarion. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

From where I sit, just about everyone thinks his own home town is best. Picking your town comes natural. The right to this "picking," though, is really counts. Whether it's favorite town, a favorite cut of meat, or even a choice of a beverage—say between beer and buttermilk, it's respecting the right to this freedom of choice that makes a good neighbor. I hope you subscribe to that!

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

### Cinematic Chatter

By Malcolm Millar

Hello everybody! Edward G. Robinson thoroughly subscribes to Shakespeare's observation that "the evil that men do lives after them."

For the versatile star lamented that the public won't let "Little Caesar" die; and the legend that he is the screen's eternal, killer continues to plague him, though he can't remember the last time he committed murder in a picture. "I've made more than 60 films in 23 years before the camera," says Robinson, "and my guess is that I've been a pretty decent fellow in 75 per cent of them. Why is it that people insist on remembering 'Scarlet Street' and 'Little Caesar' and forgetting 'Double Indemnity' in which I caught the killer and Dr. Ehrlich's Magic Bullet," in which all I killed were microbes." In his long stage career Robinson portrayed a gangster only once in "The Racket." His most recent stage appearance was in 1951, after an absence of more than 20 years, to tour in "Darkness at Noon." As master of seven languages, notable art patron and owner of a priceless collection, his versatility of interest includes enthusiasm for sports and

## Defense is your job, too!

**T**HIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength is* America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

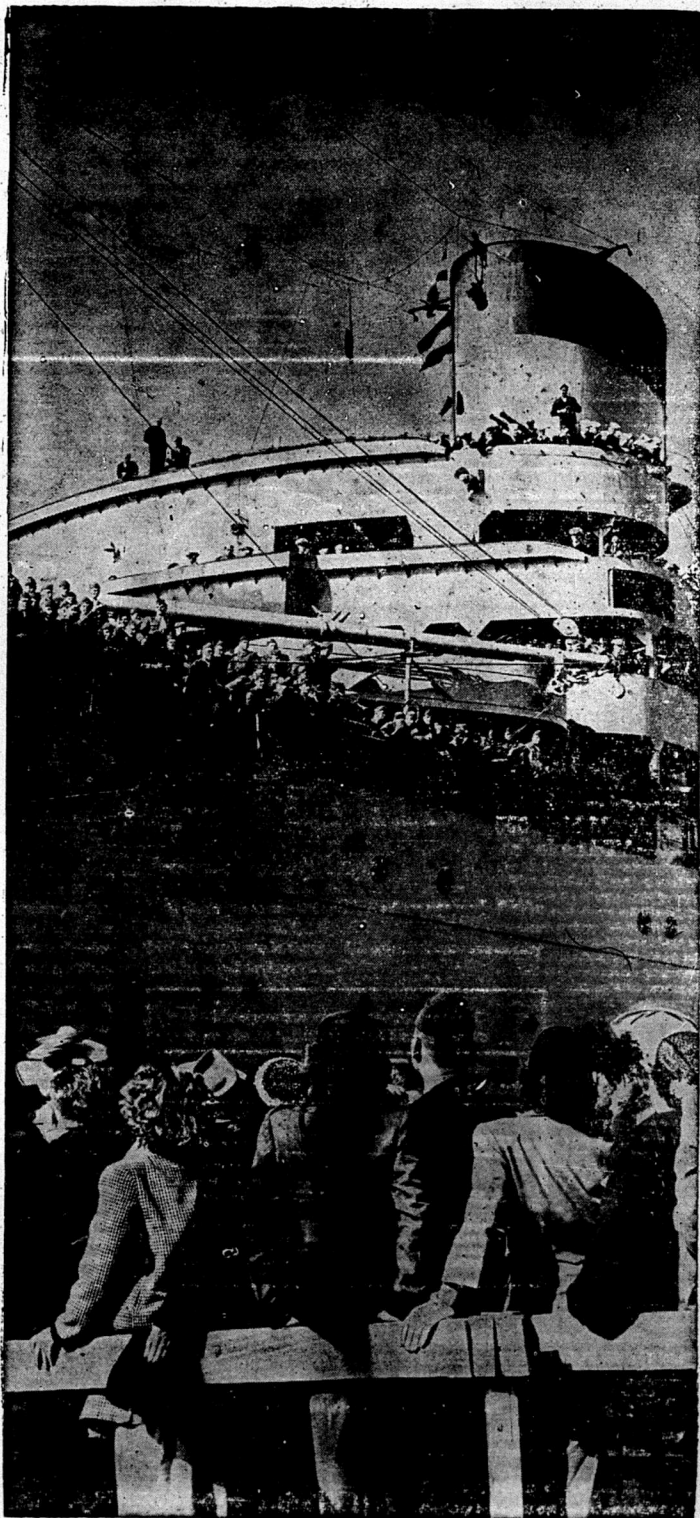

### The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

## Christian Science Group Of Canal Point

Man's true selfhood as the spiritual image and likeness of God, ever free from sinfulness, and suffering will be emphasized at Christian Science services Sunday.

The Lesson-Sermon entitled "Adam and Fallen Man" includes the following passage from the King James Version of the Bible (Genesis 1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

The unchanging perfection of the man of God's creation will be brought out in passages to be read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy including the following (476:28-32): "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you; that is, Truth and Love reign in the real man, showing that man in God's image is un-fallen and eternal.'"

# WHICH ONE DO YOU WANT?

*you can have your dream house—this easy way:*

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan. Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save *systematically* on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved *for* you, *before* you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan.

## How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save..	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save..	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, *start your Plan today!*

## Vero Beach Plays Blue Devils Tonite

The Pahokee Blue Devils played like champions on Lair Field Friday night when they trampled over the Lake Worth Trojans, 31-6, to reach the top rung of the Suncoast Conference ladder. If they win their two remaining conference games with Vero Beach and Belle Glade they will still be on the top rung at the end of the season but they may have to share top honors. At the present time the Blue Devils lead the conference race with a 5-1 record. Clewiston is second with a 4-1, while Vero Beach and Lake Worth, each with a 3-1 record to date, are tied for third place.

Tonight the Blue Devils travel to

Vero Beach and the constantly improving Indians, fresh from two successive victories over Clewiston (19-13) and Stuart (34-6), are certain to give Coach Webb Pell's lads plenty of trouble.

If the Blue Devils, however, play the kind of football tonight that they generated against the Trojans last Friday night it will take more than Indians to stop them. Under the able leadership of Quarterback George Mills the Devils scored two touchdowns in the first quarter and one each in other three quarters, with Hal Rosenberg, Richard Weeks, John Williams and Don Waddell totting the 'ball in the touchdown parade. Another Pahokee TD via the air near the close of the game was nullified by a penalty.

## Social Security Is Discussed For Lions

James Bozoman, field representative from the Federal Social Security office at West Palm Beach, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club.

Dulany, the speaker explained some of the provisions in the amendments to the Federal Social Security law signed by President Eisenhower on Sept. 1 of this year, including the increased rates and wage base, drop out and disability provisions and retirement tests. He also told about the new group of farm workers that will be covered by the Social Security Act, starting Jan. 1. Following his talk, Mr. Bozoman answered questions from the audience. The program was arranged by Lynn Hunter.

John Williams, Pahokee High School Senior, was the guest of Student Member Tommy Elliott. Other visitors introduced by Benjamin Roberts were M. T. Byron, William Howmes, Hugh Bratley, A. E. Kirchman, N. T. Taylor, Milton Carpenter, R. W. Lanier and James Ball, all of Belle Glade; Pat Duncan, West Palm Beach and S. L. Campbell, Pahokee.

## Mrs. Doris Sasser Is Hostess To BPWC

Mrs. Doris Sasser was hostess to members of the Pahokee Business and Professional Woman's Club at a business meeting held at her home Tuesday night, with Mrs. Johnnie Davis, president, presiding.

It was reported proceeds from the country store booth which the club sponsored at the PTA Halloween carnival totaled \$75.62, one-half of which will be turned over to PTA.

## Potluck Supper By Legion & Auxiliary

Members of the Pahokee American Legion Post 90 and the American Legion Auxiliary met jointly at the Legion Hall on East Main St. Monday night for a social gathering and potluck supper.

In a brief business session by the auxiliary, with Mrs. Betty Holman, president, presiding, Mrs. Betty Heldt and Mrs. Vera Weeks were welcomed as new members. It was announced that all local merchants willing to donate Christmas gifts for disabled veterans at VA

hospitals should contact Mrs. Holman or Mrs. Lois Collins before Nov. 20 in order that they may pick them up, gift wrap them and have them ready to send to the hospitals in plenty of time.

## King And Queen

Ronnie Berry and Mary Arthur Kirk, sponsored by the Pahokee High School Junior Class, were crowned carnival king and queen at the Blue Devils' Halloween Hey Day in the Pahokee city park Saturday night. Jon Pope, president of the Student Council, acted as master of ceremonies at the coronation.
